Kseniia Malakhova

Working Experience

Inbank (Full-time)

Software Quality Assurance Engineer
May 2022 – Present · 2 yrs 5 mos
Responsible for E2E, functional, and non-functional testing, automating frontend and API tests using Playwright and Postman Flows. Contributed to the QA community by organizing workshops, mentoring interns, and speaking at internal technical events. I was also involved in documentation creation and team hiring processes.

HireRight

Quality Assurance Tester
Jun 2021 – May 2022 · 1 yr
Performed functional, API, and accessibility testing of a background check platform across desktop and mobile. Collaborated with international agile teams to groom new features and plan future development.

Deutsche Telekom IT Solutions

Test Expert
Oct 2019 – May 2021 · 1 yr 8 mos
Led testing activities for a customer platform, including black-box/grey-box testing, defect tracking, and test automation. Managed cross-team collaboration, acted as Scrum Master, and supported European-wide projects.

Senior Test Engineer
Dec 2018 – Oct 2019 · 11 mos
Led test planning, executed functional testing, and supported the project automation process.

Software Test Engineer
Jan 2018 – Dec 2018 · 1 yr
Conducted test case design and execution, with a focus on functional testing and automation support.

Junior Test Engineer
Nov 2016 – Jan 2018 · 1 yr 3 mos

Executed manual and automated tests, supporting test framework development and working on defect analysis.
