

№	Lesson topic	Data	Time	Day of week	Lesson type	Instructor
1	Introduction to Test Automation. The concept of the testing pyramid.	05.05.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
2	Introduction to JavaScript, TypeScript. Setting up the environment and development e	08.05.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
3	Data types, variables, and constants.	12.05.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
4	Classes and methods. Class constructors.	15.05.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
5	Overview of Playwright. Creating and reviewing the first project.	19.05.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
6	Development of unit tests for a simple console application. Annotations.	22.05.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
7	Test lifecycle annotations in Playwright. Test parameterization. Tags.	26.05.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
8	Principles of API test automation. Development of simple tests.	29.05.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
9	Continuing API test development: HTTP request.	02.06.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
10	Continuing API test development: HTTP response.	05.06.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
11	Development of API autotests for a real application with authorization.	09.06.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
12	Development of API autotests for a real application: creating an API client.	12.06.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
13	Development of API autotests for a real application: increasing test coverage.	16.06.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
14	Creating backend mocks (mock API).	19.06.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
15	Intermediate test.	26.06.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
16	Introduction to web application testing. Locator strategies.	30.06.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
17	Development of UI tests: basic working methods.	03.07.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
18	Development of UI tests: Page Object pattern, Singleton pattern.	07.07.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
19	Continuing UI test development: increasing coverage.	10.07.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
20	Practical coverage of a Todo application with UI tests.	14.07.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
21	Development of component tests and backend mocks.	17.07.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
22	Development of end-to-end (E2E) tests: combining UI and API autotests into one proje	21.07.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
23	Test reporting: Allure. Analysis with Trace Viewer.	24.07.2025	19:00 - 20:30	Monday	Online	Vladimir Ovodenko
24	Final test. Course review.	28.07.2025	19:00 - 20:30	Thursday	Online	Vladimir Ovodenko
